SELF-SUFFICIENT 5 BED LUXURY VILLAS WITH FANTASTIC SEA VIEWS

Detailed description

Selection of luxurious and self-catering villas, located in Praia da Luz - Lagos, all with sea views, private garden, heated and covered pool.
Development based on the concept of "Passive House", the elaboration project was made from the idea of sustainability, with materials much more efficient from the point of view of energy efficiency, and as a "turnkey" project the customer can always have the option to customize the architecture and finishes.

"Passive House" concept - Solar thermal and photovoltaic panels with accumulation batteries, gas grill, water tank for irrigation, ecological painting without chemical emissions. The basis of this concept is the use of the most advanced solar energy and water management systems, the best insulation technologies, reducing energy costs and creating an "Eco-Friendly" experience, allowing to control solar penetration, exposing the windows to direct sunlight in winter and creating shadows in summer.

Plots from 989,45 sq.m.
Housing areas from 350 sq.m.
Sold furnished and equipped (with option to choose)
