Detailed description

This is a unique opportunity to acquire a plot of land with ruin in Aljezur, with a total area of 19,625 m².

The existing ruin allows you to give free rein to your imagination and create the home of your dreams, in a peaceful and picturesque location. Currently the ruin is attached to another ruin but, despite the location being in an area of high protection and restrictions, it is possible to rebuild so that it is a separate property.
