Vale da Telha 

Detailed description

On a quiet corner plot in Vale da Telha we have an excellent, traditional Algarvian house with a large garden and lots of privacy. Entering from double gates onto a beautiful calcada drive there is parking for multiple cars.

The main house is composed of a large living and dining room with high vaulted ceilings and a woodburning stove. Two sets of Patio doors lead out onto a beautiful terrace overlooking the garden and countryside beyond. The mature garden is irrigated and has large grassed areas, shrubs and fruit trees.

Two bedrooms with fitted wardrobes share a modern bathroom with large shower cubicle. Spacious and bright fully fitted kitchen with dining table.

One bedroom apartment with bathroom, kitchen and living room with patio doors onto a patio and barbecue area. Can be used separately or incorporated into the main house as has separate access points and seating areas.

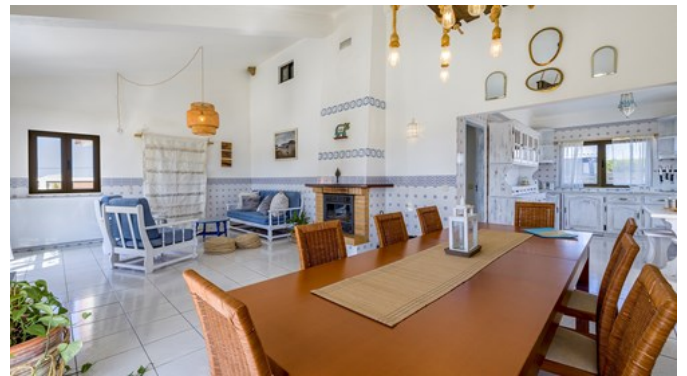

Modern, light and bright detached studio currently used as a massage therapy room offers a variety of options for the buyer.

Covered seating and outdoor kitchen/BBQ areas to make the most of the sea and countryside views. Double glazed with shutters.

A large storage shed to the rear of the property for additional storage and keeping bikes and boards!

The house itself has a beautiful porch facing a large garden, lots of seating areas where you can enjoy meals, a drink or just relax and take in the view of the Natural park and the ocean.
